

Hampton TRIAD

WHO ARE WE?

Hampton's Sheriff Office, Police Department, and Fire Department began their Peninsula-wide association with TRIAD in 1995. However, the Hampton chapter was established in May of 2000. Though TRIAD primarily focuses on reducing crime and senior safety, Hampton's TRIAD addresses any mature adult and senior concerns. Membership consists of representatives from organizations such as Hampton Fire & Rescue, Department of Social Services' Foster Grandparents Program, Dream Maker, Queen Street Beacon @ the Crossroads, Six House, Inc., Wythe-Phenix Improvement Association, etc., all working together to connect seniors with resources to match their needs.

History

TRIAD was first conceived in 1988 when representatives from the American Association of Retired Persons (AARP), the International Association of Chiefs of Police (IACP), and the National Sheriff's Association (NSA) came together and agreed to partner to help ensure senior safety. TRIAD joins law enforcement officials and seniors for the purpose of reducing crime.

The National Association of Triads, Inc. (NATI), formed in 1999, acts as an umbrella organization that provides advice, support, technical assistance, and training to local Triads throughout the United States. Virginia has a total of 66 TRIAD associations.

Mature Seniors, We Need You!
