2. The minutes of the May 17, 2018 meeting were read and submitted for the record with the following changes: Rain Lewis, NN PD was in attendance even though item 3 indicated that NN PD was not in attendance.
3. Re-entry
 - a. Hampton Council no update was available.
 - b. Newport News Council - Mary Knight indicated that they are in process of completing a SWAT analysis and revitalizing their subcommittees. There will be a job fair in October.
4. CJA Programs - Marcus Dennis
 - a. Year-end statics - public safety rate is 97%, court appearance rate is 91% with an 86% overall compliance rate.
5. Old business
 - a. Behavioral Health Docket (BHD) - During that last board meeting there was discussion about applying for a planning position for the BHD with funding coming from DCJS. The application was not completed due to a delay with what DCJS was requiring in the application. The BHD did receive funding from the city for two positions at CSB and a

clerk. If the board would like to adopt the application, the work is done and the money is available. It would fund an individual that would help with planning another program like the mental health docket.

- b. Mental Health Docket kicked off July 1st. There have been three official meetings; they are held on the 2nd and 4th Thursday of every month. Currently there are six defendants enrolled, with seven pending applications and five applications were rejected. Of the six that were accepted, two were rearrested (for nonviolent offenses); one did not make it on the docket and is up for review and the other one was kept on the docket. As of today (August 17th), the BHD saved 148 jail days with those six defendants with a saving of approximately \$20,000, which is on target with meeting the goals set forth. One candidate will most likely advance to phase two. He will receive a gift certificate - showing others how they can succeed.

6. New business

- a. Dean Barker - there will be CIT training next week. It has been 10 years since the first training session.

With no further business before the board, the meeting adjourned at 5:25 p.m.
