Mobile Field Office and Saturation Patrols

On July 29, 2013, the Hampton Police Division began utilizing the Mobile Command Center as a mobile field office which will be manned by officers and placed in high crime areas throughout the City. Citizens are encouraged to provide these officers with information about criminal activity in their neighborhoods. In addition to having a mobile field office, the Division also initiated Saturation Patrols in these same areas. These patrols are comprised of officers from various backgrounds and specialties throughout the Division such as Crime Prevention, Narcotics Interdiction, Gangs, Bike and School Resource Officers. Additional City resources such as Codes Compliance and Probation & Parole will assist in this endeavor. By collaborating our efforts within the City and with the community, it is our goal to reduce the occurrence of crimes in the City of Hampton.
