EXHIBITOR STANDARDS	All Exhibitors must be a <u>non-profit</u> community organization or group. Exhibitors are NOT PERMITTED to sell merchandise, conduct fund-raising campaigns, take donations, collect fees or dues, or solicit money on behalf of their organization during Events—booth spaces are for informational and community outreach purposes only.
BOOTH SPACES & ELECTRICITY	Exhibitors will be given one (1) 10'x10' free exhibit space, and as many tables and chairs as requested by the organization for their booth. Requests for electricity will only be considered from those Exhibitors who require electric service in order to operate their exhibit and who made a request on their application, AND ONLY WHEN AND WHERE ELECTRICITY IS AVAILABLE. Not all booth locations are equipped with electrical sources. Requests made on-site for electricity or equipment will not be honored.
MANNING OF BOOTH SPACES	All Exhibitors must be prepared with sufficient supplies to display for the duration of the event and must preside over their exhibit at all times. Staff will not tent-sit for any reason due to liability. Vehicles will not be permitted inside the event area except during specified set-up and break-down hours, and not until after the “pedestrian-all-clear” announcement is made at the end of the event.
SET-UP OF BOOTH SPACES	Exhibitors should check-in with a staff member upon arrival. Exhibitors arriving after designated set-up hours will not be permitted to drive into the festival area near booth spaces for unloading and instead must hand-carry in materials. Exhibitor booths MUST remain open and fully operational until the end of the festival.
WEATHER	Events are held rain-or-shine (notwithstanding dangerous weather conditions). Exhibitors are urged to bring a tent/canopy to protect themselves and their exhibits during any adverse weather conditions, including proper weights to withstand high winds. For updated information about the festival during weather emergencies, the person(s) listed as your organization’s contact will be notified. You may also call (757) 727-8311 for up-to-date recorded information.
